

ORIOLA GROUP ENVIRONMENTAL POLICY

Approved by Oriola Corporation Group Management Team in May 2018 and the Board of Directors in June 2018.

The purpose of this policy is to set the framework for environmental work in the whole Oriola Group and its Business Areas. The policy describes how the Oriola Group works to ensure a healthy life and a good environment for current and future generations.

In Oriola Group we are committed to:

- comply with all applicable environmental legislation
- work to lower energy consumption, minimize waste, increase recycling at our own premises and decrease the emissions generated from transportation
- work to find further development areas, minimize risks of environmental incidents and prevent pollution
- consider environmental issues when making procurement decisions, subcontracting agreements and investment decisions
- ensure that resources are available to maintain and continually improve environmental activities
- provide our personnel with information and opportunities to act in an environmentally-friendly manner
- communicate our environmental impacts annually in different channels
